# METROWEST BLUE & BEYOND

We are an experienced group of political activists led by Former Sen. David Magnani (Framingham). We protect our democracy by providing financial and volunteer support to grassroots organizations in key swing states to elect Democrats up and down the ballot.

We have carefully vetted community organizers in Arizona, North Carolina, and Pennsylvania who will be effective in registering voters, getting out the vote, and determining the outcome in these key swing states. Join us in providing volunteer and financial support to them. Our democracy depends on you.
